

Who are we?

Hook Cleaning Services first started trading as Hook Carpet Cleaning in 2007, quickly becoming a popular choice across the South of England. Providing powerful truck mounted carpet, upholstery, rug and hard floor cleaning.

Hook Cleaning Services provides a wide range of cleaning products and services. Our services include:

- Carpet cleaning
- Dry vacuum cleaning service
- Upholstery cleaning
- Rug cleaning
- Hard floor cleaning
- Changing & shower room cleaning
- High power pressure washer cleaning
- Drive ways, car parks, pathways cleaning

Wash Room Cleaning

When it comes to changing facilities, showers and health suites, Hook Cleaning Services understands that hygienic, clean and fresh facilities are important to you as the customer, and to your clients who visit. With a range of cleaning solutions from descaling shower rooms, removing soil from tiles and grout and giving glass and chrome that streak free shine. Hook Cleaning Services will provide a tailored cleaning service from maintenance to deep cleaning.

We have a specialist team who work with our commercial customers on a one to one basis. It helps us understand the requirements of your business. It's all part of the service we provide towards giving you outstanding customer service.

FREE DEMONSTRATION

So here's the deal... 'you want to find the best company, for a reasonable fee with outstanding results.' We are confident that we can tick all the boxes. As part of our commitment to you as the customer, we offer a free demonstration on all our services so that you, as our future valued customers, can see for yourself what we can do, for you.

Dry Vacuum Cleaning

Using a powerful ride on vacuum cleaner, Hook Cleaning Services can cover a massive 1300 square metres per hour with this machine. It is suitable for use on all types of floor surface. We currently use this machine in:

- Hotels
- Sports facilities
- Offices
- Schools
- Conference rooms
- Exhibition centres

Carpet Cleaning

Using powerful truck mounted carpet cleaners, and triple vacuum portable carpet cleaning machines, we are best suited to providing deep cleaning of your carpets. These machines boast powerful suction and high pressure, helping to clean your carpets thoroughly and leave them dry in no time at all. We also have our maintenance; low moisture and dry solvent cleaning systems. These offer a quieter cleaning option and are recommended for regular cleaning.

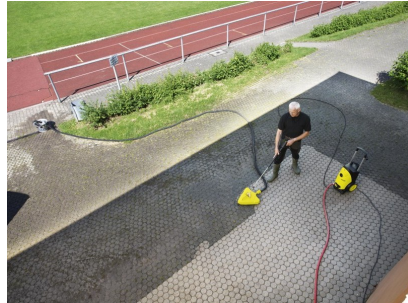

'A clean environment helps promote a healthy positive lifestyle'

Our service, Our guarantee...

At Hook Cleaning Services we are committed to being the best. We want our customers to keep coming back and recommend us to their friends, family and business associates. So its simple,

'If you are not 100% satisfied with your cleaning experience with Hook Cleaning Services we will come back and re clean your premises for FREE. What's more, if your still not completely satisfied, we'll give you £50.00 towards the cost of using another company.'

We are so committed to customer satisfaction, we are confident that you will never be disappointed by our services.

Pressure Washer Cleaning

From driveways, to car parks; from tarmac to block paving, Hook Cleaning Services has the solution. With a variety of algae, moss, grease and oil treatments, Hook Cleaning Services has the right solution to leave your outdoors sparkling. After Cleaning why not ask us about our seal and protect service. Preventing your surfaces from weathering, stains and engrained soils.

Hard Floor Cleaning

Hook Cleaning Services has made significant investment into stone and floor care cleaning equipment and training. We are specialists at cleaning, natural stone, tile & grout. Also resilient flooring such as vinyl, rubber and linoleum. With years of hands on experience, and many satisfied customers, why not ask us how we could maintain or restore your hard flooring.

Did you know?

Each year a fully grown adult sheds around one mixing bowl of skin cells into the carpet per square inch. These skin cells are then eaten by various mites such as dust & cheese mites which live within the carpet.

Regular carpet cleaning will remove these cells and kill off the living mites & bacteria in your carpet.
